Dare To Dream

F O U N D A T I O N

A Special Thank You

TOGETHER WE RAISED \$21,425!

We are a group of everyday people empowering other everyday people to go beyond what would otherwise be out of their reach by providing resources that enhance life skills, encourage personal and spiritual growth and help people to be successful in achieving their Dreams.

We offer an opportunity for partnership in human services to ensure that those that dare to Dream can achieve those Dreams.

We receive no government funding and rely solely on individual contributions, corporate sponsorships, grants and in-kind donations to help make dreams come true.

*Thank you for taking the time and joining us in making
Dreams come true.*

Gordy Cartwright, Fred Beck & Kelly Anderson and the Dare To Dream Foundation would like to thank everyone who helped raise @21,425 at the first annual Dare To Dream Golf Tournament at Westwood Plateau.
